December 2010

**President: Jim Quinn, Vice President: Art Armstrong, Secretary: Jean Doyle, Treasurer: Alice Luther, Directors: Ginny Quinn, Chuck Konopsky, Bob Compton, Newsletter Editor: Bob Compton**

Our monthly meetings are held at the Club House Restaurant located at the Daytona Beach Municipal Golf Course the third Tuesday of each month. We invite you to dine with us starting at 6:00 PM, with the meeting starting at 7:00.

### ***Halloween Party 10/30:***

Thirteen members showed up at the Quinn's wearing some great costumes. There was a judge & gypsy, Cruella deVille along with Pongo, a ninja with a real sword, the Blues Brothers, a hippy & flower girl, a fancy owl & a big eared wharf bandit, Dracula & a cowgirl victim. It was quite a variety and all very nicely done. The Blues Brother's even put on a little show – very little.

The real people were Jim & Ginny, Leslie & Art, John Reis, Bob & Sadie, Ed & Jean, Shirley & Chuck, and George & Carol. Leslie was chosen as having the best female costume, Cruella, and Ed had the best male costume as the hippie. See photos in the *Photo Gallery*.

Thanks go out to Jim & Ginny for hosting the party.

### ***Silver Springs Car Show: 11/6***

They all did not leave together but they all did arrive together. Sadie left from Orlando while everyone else left from Ormond Beach. All got through registration OK including Mike Mills, a guest who drives a 2004 yellow coupe. Others attending were, the Armstrong's, Doyle's, Kiember's, Konopsky's, John Luther, O'Leary's,

Quinn's, John Reis, and the Slaton's (welcome back). The number of Corvettes, in the park, was once again a down a little from the prior year. The club did do well when the trophies were presented as Mike, Jack, Art, and John Reis were the winners. See photos in the *Photo Gallery*.

### ***BOTR de Leon Springs 11/14:***

Eight cars left Ormond Beach on a very beautiful morning and headed west to de Leon Springs. The 8 cars on the road were Art, the Blake's, Compton's, Connelly's, Doyle's, Gatz's, Kiember's, and the Konopsky's. The actual eating place at the park is the Old Spanish Sugar Mill – Grill and Griddle House. Reservations had been made and we were able to walk right in and get our 2 tables. A slippery situation turned sticky as a container of Vermont maple syrup wound up in Jack's lap. Jack managed to get most of it off of him. Everyone appeared to enjoy themselves while cooking on the griddle as a lot of pancakes and other food was consumed. After eating, everyone walked over to the actual spring and watched it flow – it was interesting.
